COURT'S RULING(S):

- I. This case is assigned to a **COMPLEX** track. The parties requested, and the Court approved, extended scheduling order deadlines due to the current Covid-19 outbreak. The Court will set pretrial deadlines in a separate order and will adopt the discovery parameters in the parties Joint Status Report and Provisional Discovery Plan modified as stated at the conference.
- II. The Court will set a telephonic status conference on Thursday, June 25, 2020 at **2:30 p.m.**
- III. If the parties have discrete discovery disputes that can be resolved through a telephonic conference with Judge Fashing, they should contact chambers (505-348-2360). Judge Fashing's guidelines for telephonic conferences can be found at <https://www.nmd.uscourts.gov/content/honorable-laura-fashing> (under "Procedures"). Both parties must agree to this process to resolve a discovery dispute prior to the parties contacting the Court.
